### **Monster Bash in the works**

Planning and arranging are fully under way for the second annual "Monster Bash" Halloween Party for grown-ups on Saturday, Oct. 21, at the Sherborn Community Center.

Last year's "Monster Bash" was a rousing good time for the more than 100 people who were there. The party took over the whole Community Center, upstairs and downstairs. The decorations and lighting were both creative and scary, and the dancing was fun all night long. Again this year there will be great food, drink and music. Costumes are encouraged, but optional. This year's "Monster Bash" will have some new twists to make it even more of a memorable event. Stay tuned!

Invitations will be mailed to Sherborn residents soon. This event is sponsored by the Sherborn Community Center Foundation. If you would like to reserve your place now, visit the center's Web site, [SherbornCommunityCenter.com](http://SherbornCommunityCenter.com), or call 508 655 2701.
